Fred Wenck, chairman of the Boxing Commission, decided to punish the

he refused to meet Al Reich. Moreover, the Pioneer Sporting club was

The story was sent out several days go that Tom Jones had agreed to pay

had refused to punch any part of him. Reich argued that his body had been sold for the afternoon, but Jess insist-

The champion explained that he did not like to fight with a stranger while Tom Jones was away, and Jones is ill in his room, at the Colonial Hotel. Wenck told the house committee of the Pioneer Club that a sign should he displayed informing the public that Reich and Willard would not meet. The committee failed to obey this order. The performance was a routiful one, but shorter than usual.

It must be admitted that Jess made Walter Monahan's mouth bleed a little, but on the other hand, he did not pull the chest weights or exercise his abdomen in spite of the fact that hitherto these diversions had always been considered part of the afternoon's entered.

Stars will glitter in the annual senior national indoor track and field championships of the Amsteur Athletic union, which are to be held in the 22d Regiment Armory, 168th street and Broadway, New York, next Saturday evening. The coveted "A" was awarded Sat-urday by the Army Athletic council to cadets who have earned the right to wear it by their athletic prowess during the year. Throw Away Your Eye-Glasses!

A Free Prescription

You Can Have Filled and Use at Home Do you wear glasses? Are you a victim of eye-strain or other eye-weaknesses? If so, you will be glad to know that there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost bilind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time, and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to Lee & Osgood or to any active drug store and get a bottle with warm water, drop in one Optona tablet and allow to dissolve. With this liquid, bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and infiammation will quickly disappear. If your eyes are bothering you, even a little take steps to save them now before it is too late. Many hope-lessly blind might-have been saved if they had cared for their eyes in time.
